PROFILE

Passionate Web Developer with a taste for web design due to a photo editing background. Proficient in various languages, platforms, and systems. Able to effectively self-manage during independent projects, as well as collaborate in a team setting.

WEB DEVELOPMENT HISTORY

Freelance, Self   San Francisco, CA
Sept 2022 – Present
Offer my skills on Upwork platform.

School projects, 42 Paris   Paris/San Francisco
Apr 2019 – Aug 2021
During my studies, I worked on several Web projects. It gave me the chance to learn how to work in a team and to experience both front and back-end development. It was also the opportunity to learn multiple web languages and technologies.

EDUCATION

42 Paris   Paris/San Francisco
Apr 2019 – Aug 2021
In addition to Web Development, I also learned the coding language C, Shell commands, and the basics of IT. I got a lot of practice with algorithms through school projects, such as coding my own C library or coding a program capable of assembling Tetris pieces to form the smallest square possible.
